Caulfield Grammar School's Policy

Caulfield Grammar School is a co-educational day and boarding school with entry points for admission in:

- 3 Year Old Kinder
- 4 Year Old Pre-Prep
- Prep
- Year 5
- Year 7
- Year 9
- Year 10
- Year 11

We offer co-educational boarding at our Caulfield Campus from Years 9-12 and can accommodate up to 90 students.

Places may also be offered to other year levels where vacancies exist. Caulfield Grammar School is well known for the provision of a broad, innovative learning program for girls and boys from Kindergarten to University level.

To apply for a place at Caulfield Grammar School, submit an application for enrolment together with the application fee, as soon as possible. Your child's name will be placed on a waiting list for the entry year sought, in the order applications are received. As it may not be possible to accommodate all applicants, priority is given in the following order:

1. Siblings of current students and those who have completed Year 12.
2. Children whose parents or grandparents are Caulfield Grammarians, and an application is submitted within two years from their date of birth.
3. Returning students, having completed Prep or any subsequent year, who were offered priority at the time of departure.
4. Siblings of children who hold confirmed places but have not yet commenced. (Noting that any sibling priority given to advance the enrolment and/or the wait list place of a second or subsequent child, shall be withdrawn if the confirmed student is withdrawn)
5. Children of full-time & part-time permanent staff (who have completed their probation period), subject to availability;
6. Children of other families who apply in the first year after birth.
7. Children whose parents or grandparents are Caulfield Grammarians who apply two years or more after their date of birth.

Consideration is also given to the following;

Boarding applications may be given priority on the waiting list according to the places available, subject to interview and readiness for boarding.

In the months preceding the date of commencement (in anticipation of most children on the waitlist having accepted places in an alternative school), we reserve the right to have the ability to offer families out of waitlist order.

Please note: Transfer of enrolment between campuses, or day to boarding, is permitted only if vacancies exist. Should your preferred campus of enrolment change, your position on the wait list will be commensurate with the original date of application within the new wait list.

The enrolment process is initiated up to 18 months prior to entry for all year levels except for Year 7 which commences 3 years ahead of preferred entry year. Offers are made to students pending interview with senior staff to assess year level readiness
